RITA K. RAVEN

PHOTOGRAPHY AND VIDEOGRAPHY

Price list for Businesses, Institutions and Charities

General Rate

£99/hr
on-location

£49/hour
post-processing

- Photography: price includes professional camera, lenses & flash equipment
- Videography: price includes HD camera, tripod & sound recording equipment
- Price excludes travel fees, except for services done in Edinburgh and Midlothian
- For on-location shooting minimum chargeable rate is 2hr/day
- For photography post-processing means the development of the images including cropping, colour grading and sharpening
- Enhanced image processing (eg. Photoshop) is also available if needed, and charged at the same post-processing rates
- For videography post-processing includes selection, editing, sound design, music, colour grading, effects and titles as required
- For videography if editing is not required we can also provide the selected works separately to the editor of your choice

Photography packages

We also provide guide prices for longer sessions and repeated visits. The below packages include both on-location and basic post-processing work. Before the shoot we will also liaise with you to understand your requirements, so we can know if there would be any additional charges, for example enhanced image processing fees.

- Half-day (4hr) photography session, around 20-30 pictures: £350
- Full-day (7.5hr) photography session, around 40-60 pictures: £500
- Multi-visit (4x1.5hr) photography session, around 10 pictures per visit: £500
- Multi-visit (8x1.5hr) photography session, around 10 pictures per visit: £800

Notes

- Copyright and Moral Rights are retained by Gelion Pictures on all images and videos produced
- General license on produced media allow for both online and print reproduction in unaltered form. Modification rights are reserved and need to be negotiated separately if required
- For videography post-processing, music licenses are not included in the rates above and have to be obtained separately
- We are a digital-only service providing the resulting images and videos electronically. Items can also be provided on CD/DVD/Blu-Ray for an extra charge if required.
- Prices are net prices and don't include VAT. Additionally Gelion Pictures is not VAT registered, therefore invoices will not include VAT
- Prices above are guide prices and are all negotiable
